Steel Disciple Initiate "Quest Requirement": For helping out the town of Cripple Creek in solving the .44 caliber murders, Knight Justice Crow has offered to sponsor your Initiation into the Steel Disciples. By using this Reward, you meet the "quest requirements" of the Steel Disciple Initiate advanced class, and must travel to Wendover, Nevada and spend 60 time units reflecting your training upon taking your first level in this advanced class.

Colt Switchblade's Ignition Switch: This is an ignition switch to a fusion powered motorcycle; however it may be fitted to a variety of fusion powered devices with the proper knowledge (technology) and repair check.

Flash Crystal: This small device plugs into a computer flash port or a RoboCore PA device. This crystal contains a library base of knowledge of US history pre-Exodus from 1939 to 2010. Using this device as a reference grants a +10 competence bonus to Knowledge (history) and Research (historical) skill checks.
