"They're stealin' the ballot box"

And vote theft is only one of the perils stalking the town when the folks of Promise City must choose between **BALLOTS . . .** and **BULLETS.**

It's 1882 and Cochise County, Arizona is the wildest part of the wild west. Rustlers are everywhere. Indians and badmen lurk in the hills. Robberies are common. Against this setting, two hostile political factions struggle for control of tiny Promise City. And **YOU** are there . . . as a gunman or lawman, a hired hand or campaign worker . . . OR as a candidate for office.

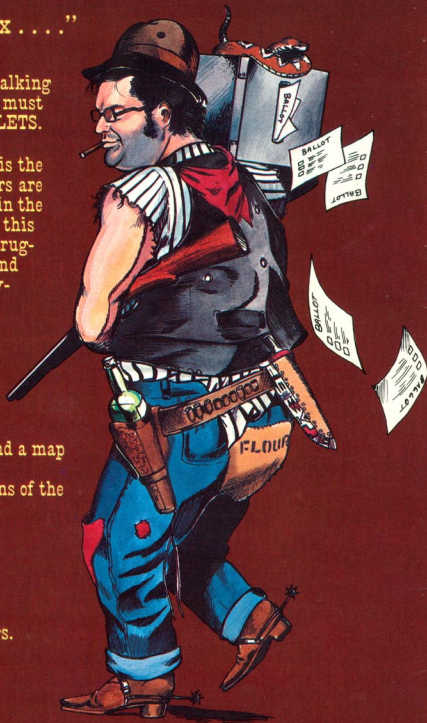

Inside this module, you'll find . . .

- * Complete material for a 12 week political campaign.
- * 213 detailed building descriptions and a map of Promise City.
- * 300 Individual character descriptions of the town's residents.
- * Seven fast-playing scenarios.

You'll also discover . . .

- * How to scare off opposition voters.
- * How to handle loud-mouthed hecklers.
- * How to hold political rallies.
- * How to stuff the ballot box.

— And much, much more —
