

Name	MU	Price	Wall	Speed	Extra
Sonny Gaijin	5	300	0	-1	

Don't have the money to get one of those expensive decks? No problem! The Gaijin is your solution. With the gaijin you can go to the matrix like everyone else; all it matters is your knowledge.

Nokia Blue Light	10	1000	2	0	
------------------	----	------	---	---	--

The Blue Light is your perfect standard deck, with a good price and capacity, and that's why it is so popular with our average customer: everyone, even important hackers have started with the blue light.

Nokia Elysium	12	1200	2	0	
---------------	----	------	---	---	--

The Elysium is an improvement model of the blue light, with more MU to get that extra program that may save your life...

Sony Bushido 14 2000 2 1

For those who follow the road of the net and aren't amateurs, the bushido is an excellent choice. It is faster than normal decks and have more MU. You can't ask better for that price!

Microsoft ZXB 20 1500 0 1

The ZXB is a true American product: fast, big, cheap and totally reliable. It can be easily used by common user or pros. It is the true reference in the market!

Microsoft Orion 20 4000 2 2 Portable

Tired of only having access in the matrix in specific places? Orion is the answer to your dreams! It is a totally portable deck, that may be used even when walking or in a car!

Ono-Sendai Ninja 3000 10 3000 0 4

The Ninja 3000 is the perfect model for the professional runner who prefers fast action; by attacking first, you will surprise your rivals and drive them out of the net before they can blink an eye!

Sonny Edokko 20 4000 4 2

Tired of low quality simulations that leave you dizzy? With Edokko you won't notice that you are in a new dimension! You will feel comfortable like if you had been born in the matrix!

Sonny Katana 20 5000 5 4

The Katana was the soul of ancient samurai. Decks are the soul of modern samurais. The new Sonny Katana will cut your enemies like if they were nothing than grass.

Ono-sendai Ninja 4000 20 6000 6 4

Fast and strong. Like ancient Ninja. With this deck, you will travel in wire, like if you were flying.

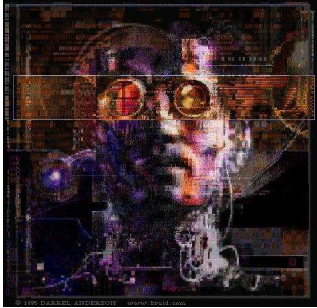

Sony Shogun 30 8500 8 4 Portable

With an excelent resolution, Shogun is the deck for corporate man; it is elegant with beautiful lines. Beat the cow-boys in their own game!

Microsoft Condor 30 9000 7 5 Portable

The Condor is a special model for runners who are always moving and need a powerful tool; its small size (12cm for 10 cm) makes him less cumberston than most.

Ono Sendai Ninja 5000 20 8000 8 5 2 free programmes

Our best product. This deck will strike awe with colleagues. It includes 2 programmes for free (*note: the programmes are chosen randomly from the stock available*)

Sony Tofu

40

9000 8

5

With this deck you won't fear anything. The Matrix. You. Together.
