Related Species
Species related through standard genetic drift
Scientific Creation
Species Created through Scientific Experimentation arrow points from creator to creation
Extinct
Known through archelogical record only. No known living members of this species exist
Chaotic Mutation
Exposure to the arcane aftermath of The Fall caused the mutation of some humanoids into new and more adapted species
Shadow Mutation
Experiments conducted by The Victorina Institute of Arcane Sciences exposed a mass number of souls to virilant shadow magic, causing mutations within the cycle of reincarnation.
