***SPEC1-3 GHOSTS OF THE PAST: DARK
PORTAL (PI)***

SPEC05 Hero of Myth Drannor

For your services to the eladrin kingdom of Myth Drannor you receive the title Hero of Myth Drannor and a small silver pin in the shape of a rose. Creatures recognizing the pin might react more or less favorable depending on the circumstances.

If this is third special recognition by an eladrin kingdom (similarly worded story awards) the coronal instead offers you the title Sha'Quessir, elf-friend. If accepted, you become a full citizen of the eladrin kingdoms of the Forgotten Realms (Evereska or Myth Drannor) with all the attached privileges and duties. An eladrin or elf instead is offered to become a Knight of Myth Drannor.

SPEC06 Shazryl's Bribe

Whether out of greed, fear, desperation or some other motive, you accepted Shazryl's bribe to leave the portal alone in return for your life and treasure. Shazryl, the alhoon lich, kept his side of the bargain and so did you. Neither Shazryl nor the eladrin of Myth Drannor are going to forget this.

SPEC07 Something to Remember Me By

Having destroyed Shazryl's disembodied brain, you have broken its hold over the animated lich claws that infested its tower. You managed to keep one of these claws as a loyal servant. A PC with the Arcane Familiar feat can take the lich claw as a familiar. The lich claw's statistics are identical to a rakshasa claw from *Dragon* 374.
