THE EBERRON DM'S BEST FRIEND

Behind this sturdy four-panel screen, you control your Eberron campaign. This invaluable game aid helps you conceal notes, miniatures, and other surprises from your players' eyes. The landscape format makes it easier for you to see the game in front of your screen while maximizing the space you have behind it. In addition to providing useful tables from the *Player's Handbook* and *Dungeon Master's Guide*, this deluxe screen provides information of particular interest to Eberron DMs, including a list of dragonmarked houses and guilds and an Eberron calendar.

This product also includes a detailed poster map of the continent of Khorvaire, the point of origin for most Eberron campaigns. This comprehensive and richly detailed poster map includes political borders, settlements, roads, lightning rail routes, and never-before-seen sites for adventurers to explore.

DEVELOPED AND ASSEMBLED BY CHRISTOPHER PERKINS

To use this accessory, a Dungeon Master also needs the *Player's Handbook*™, *Dungeon Master's Guide*™, and *EBERRON*® Campaign Setting.
