MUNCHKIN BITES!

**INCLUDES 168
FULL-COLOR CARDS!**

Be vampires . . . and werewolves . . . and snotty faerie changelings. Any similarity to an angsty roleplaying game is strictly coincidental . . . and any roleplaying is strictly accidental. You're here to KILL things.

Munchkin Bites introduces a new kind of card: Powers. And it stars John Kovalic's *Dork Tower* characters, in their vampire guises!

This is a stand-alone game, but it can – of course! – be combined with other ***Munchkin*** games. So bring along your Coffin (+3!) and wield The Sword Of Beheading People Just Like In That Movie. Face the Banshee, the Heck Hounds, and the dreaded Were-Muskrat. Smite them all, and be the first to Level 10!

For 3-6 players (2 can play, but more is better).
Playing time: about an hour.
