MUNCHKIN BITES . . . DEEPER!

Aieeee! 110 more angsty and overpowered cards (plus two blanks) for **Munchkin Bites!** Can you face the sonic stylings of Ten Inch Tacks, the annoyance of the Gnat Bats, and the chilling waddle of the Were-Penguin? Will you wield the might of Power Piercing and revel in the Huge Dice Pool, or will you be bludgeoned by Bad Fiction?

And do you dare play the new Race . . . the Mummy?

This set features two guest cards: The Evil, by Pete Abrams of *Sluggy Freelance*, and Roger the Werecoyote (playing a werewolf in this set), from *College Roommates from Hell* by Maritza Campos.

This is an expansion for **Munchkin Bites!**
It is not a stand-alone game.
