CREATURES OF THE WASTELANDS

INTRODUCTION

This publication contains 15 random encounter tables designed for use with Goblinoid Games' *Mutant Future* post-apocalyptic role-playing game. These tables incorporate monsters primarily from the Skirmisher Publishing LLC book *Creatures of the Wastelands*, a licensed supplement to *Mutant Future*, along with some from Skirmisher's *Creatures of the Wastelands: Mutational Evolution* and a handful from the *Mutant Future* core rulebook.

Three of the terrain types represented on the following tables – Crystal Fields, Shattered Lands, and Soup Bowls – are fully described in *Creatures of the Wastelands* (along with a couple of others). The latter two of these only have 10 creatures each associated with them, as they cannot support nearly as much life as the other, more hospitable location types.

Two of the terrain types found in *Mutant Future* – Radioactive and Mountains/Hills – are not included, as most of the monsters in *Creatures of the Wastelands* do not dwell in either location.

Entries marked with a * are from *Creatures of the Wastelands*, those marked with ** are from *Creatures of the Wastelands: Mutational Evolution*, and those that are unmarked are from the *Mutant Future* core rulebook.
