Foreword

Want to know what the future in your game holds? Well, wait no more with this next instalment of Grim's Amazing D100 Tables.

Many characters and NPCs may have divination skills that may be used from time to time, so why not make use of them with this handy D100 randomiser?

Many of these entries will no doubt provide adventure hooks and opportunities for clever GM's and players if one has the inclination.

Whether it's tarot or card based, crystals or gems, omens and auguries, Palm or whatever, the answers you seek may be in these pages.

Have fun.
