Foreword

We're back again with another booklet in the 100 series, this time with 100 village traditions. Here you will find 100 village/town traditions most of which are from actual reality at some point in history. In addition, Appendix 1, contains several extra tables to help flesh out such traditions, and should be used as you, the GM sees fit. Such traditions, rites, contests, festivals and such in this publication should be seen as completely inter-changeable terms to suit your needs. For example: Entry 20. is a rain dance ritual, but if preferred, can quite easily be a contest (to see who from the village is the best rain maker) or festival (in which all take part in a grand rain dance to bring fertility to their crops throughout the year) all tables in Appendix 1. are completely optional and the choice is entirely up to you!

Have fun and enjoy!!
