Foreword

This month's offering in the "Pointless Classics" range, presents to you, dear reader, 100 weird and unusual village traditions and ceremonies. You will probably be aware of these strange annual and special customs from around the world, so now we present some crazy, stupid and sometimes obscene creations to seamlessly slip into your fantasy adventures and campaigns.

Feel free to elaborate on these, add colour and meaning of your choosing. These are perfect for those places where the inbred and infirm reside, those backwoods villages that find it hard to choose the latest village idiot and such like!!

Also of note, for further village customs and the like for your game, check out 100 Village Traditions for all fantasy RPGs (http://www.drivethrurpg.com/product/200887/100-Village-Traditions-for-all-fantasy-RPGs?manufacturers_id=8807) for more ideas of this nature, as well as a growing range of other titles for your game where you downloaded this title!!
