WHAT IS A CLERIC?

You are the stalwart mortal servant of a deity. Blessed with divine magic, you can protect and heal your allies and lay waste to your foes.

KYRA

EQUIPMENT

The following rules apply to Kyra's equipment.

- ☐ **Elixir of Life, Minor** (alchemical, consumable, elixir, healing) **Activate** ◆ (Interact); **Effect** Upon drinking this elixir, you regain 1d6 Hit Points and gain a +1 item bonus to saving throws against diseases and poisons for 10 minutes.
- Forceful** (trait): When you attack with this weapon more than once on your turn, the second attack adds a +1 circumstance bonus to damage, and each attack after that adds a +2 circumstance bonus to damage.
- Grappling Hook**: To anchor a grappling hook, make a secret attack roll against a DC depending on the target (typically 20). On a success, your hook has a firm hold, but on a critical failure, the hook seems like it will hold but actually falls when you're partway through.
- Sweep** (trait): When you attack with this weapon, you gain a +1 circumstance bonus on your attack roll if you already attempted an attack this turn against a different creature from your target.
- Healer's Tools**: This kit of bandages, herbs, and suturing tools is necessary for Medicine checks to Administer First Aid, Treat a Disease, Treat a Poison, or Treat Wounds.

FEATS AND ABILITIES

Kyra's feats and abilities are described below. Her Expanded Domain and Human Ambition feats are already applied in her character statistics.

- Anathema**: Creating undead, lying, denying a repentant creature an opportunity for redemption, or failing to strike down evil are all anathema to Sarenrae. Repeatedly or flagrantly performing these anathema may cause Kyra to lose her divine spellcasting and divine font abilities.
- Deity (Sarenrae)**: Sarenrae the Dawnflower is a goddess of healing, honesty, redemption, and the sun. Your favored weapon is the scimitar and she grants you the fire domain.
- Divine Font (Healing)**: You can prepare three additional 1st level *heal* spells each day (already included in your statistics).
- Divine Spellcasting**: Your goddess Sarenrae grants you the ability to cast divine spells. You can cast divine spells using the Cast a Spell activity. See the Spells section for details on the spells you have prepared.
- Doctrine (Cloistered Cleric)**: You gain the Domain Initiate feat (see below).
- Domain Initiate (Fire)**: Your Domain Initiate feat grants you the *fire ray* domain spell, which you can cast by spending 1 Focus Point from your focus pool of 1.
- ☐ **Fire Ray** (uncommon, attack, cleric, evocation, fire); **Cast** ◆◆ somatic, verbal; **Range** 60 feet; **Targets** 1 creature or object; **Effect** You launch a swirling band of fire. Make a spell attack roll; the ray deals 2d6 fire damage. This ray deals double damage and 1d4 persistent fire damage on a critical success.
- Haughty Obstnacy**: Your powerful ego makes you hard to order around. If you roll a success on a saving throw against a mental effect that attempts to directly control your actions, you critically succeed instead. If a creature rolls a failure on a check to Coerce you using Intimidation, it gets a critical failure instead (so it can't try to Coerce you again for 1 week).
- Student of the Canon**: If you roll a critical failure at a Religion check to Decipher Writing of a religious nature or to Recall Knowledge about the tenets of faiths, you get only a failure instead. If you roll a failure, you get a success instead, and if you roll a success, you get a critical success instead.
- Versatile (Armor Proficiency)**: Your versatile human heritage grants you an extra general feat. For Kyra, this is Armor Proficiency (light).

BATHFINDER

SPELLS

Kyra can cast the following spells.

- ☐ **Bless** (enchantment, mental) **Cast** ◆◆ somatic, verbal; **Effect** When you cast this spell, you and all of your allies within a 5-foot emanation gain a +1 status bonus to attack rolls. Once per turn, starting the turn after you cast *bless*, you can use a single action, which has the concentrate trait, to increase the emanation's radius by 5 feet. *Bless* can counteract *bane*.
- Daze** (cantrip, enchantment, mental, nonlethal) **Cast** ◆◆ somatic, verbal; **Effect** You cloud the target's mind with a mental jolt. The jolt deals 4 points of mental damage, with a basic Will save. If the target critically fails the save, it is also stunned 1.
- Detect Magic** (cantrip, detection, divination); **Cast** ◆◆ somatic, verbal; **Area** 30-foot emanation; **Effect** You send out a pulse that registers the presence of magic. You receive no information beyond the presence or absence of magic. You can choose to ignore magic you're fully aware of, such as the magic items and ongoing spells of you and your allies. You detect illusion magic only if that magic's effect has a lower level than the level of your *detect magic* spell, though items that have an illusion aura but aren't deceptive in appearance (such as an *invisibility potion*) are typically detected normally.
- Disrupt Undead** (necromancy, positive); **Cast** ◆◆ somatic, verbal; **Effect** You lance an undead creature within 30 feet with energy that deals 1d6 +4 positive damage. The target must attempt a basic Fortitude save; if it critically fails the save, it is also enfeebled for 1 round.
- Guidance** (cantrip, divination); **Cast** ◆ (verbal); **Effect** You pray for divine guidance, granting yourself or one creature within 30 feet a +1 status bonus to one attack roll, Perception check, saving throw, or skill check the target attempts before the start of your next turn. The target chooses which roll to use the bonus on before rolling. Once a creature has been affected by this spell, they cannot be affected again for 1 hour.
- ☐☐☐ **Heal** (healing, necromancy, positive); **Cast** ◆, ◆◆, or ◆◆◆ (see spell text); **Effect** You channel positive energy to heal living creatures and harm undead. If the target is a living creature, you restore 1d8 Hit Points. If the target is undead, you deal that amount of positive damage to it (basic Fortitude save). You can spend more actions when Casting this Spell to change its targets, range, area, and other parameters.
 - ◆ (somatic): The spell has a range of touch.
 - ◆◆ (verbal, somatic): The spell has a range of 30 feet. If you're healing a living creature, increase the Hit Points restored by 8.
 - ◆◆◆ (material, somatic, verbal): The positive energy is dispersed in a 30-foot emanation, targeting all living and undead creatures in the area (this does not include the additional healing from the 2-action option).
- ☐ **Sanctuary** (abjuration); **Cast** ◆◆ somatic, verbal; **Effect** You ward 1 creature you touch against enemy attacks for 1 minute. Creatures attempting to attack the target of this spell must succeed at a Will save each time. If the target of this spell uses a hostile action, the spell ends.
 - Critical Success**: *Sanctuary* ends.
 - Success**: The creature can attempt its attack and any other attacks against the target.
 - Failure**: The creature can't attack the target and wastes the action. It cannot attempt to attack the target again this turn.
 - Critical Failure**: The creature wastes the action and can't attempt to attack the target again for the rest of *sanctuary*'s duration.
- Stabilize** (cantrip, healing, necromancy, positive); **Cast** ◆◆ somatic, verbal; **Effect** You use positive energy to shut death's door, removing the dying condition from 1 dying creature within 30 feet (though it remains unconscious at 0 Hit Points).
