WEALTH 8 sp, 2 cp

WHAT IS A ROGUE?

You are a skilled and opportunistic adventurer, adept at sneaking, fast-talking, vaulting over obstacles, disabling traps, and striking unaware enemies.

MERISIEL

EQUIPMENT

The following rules apply to Merisiel's equipment.

Agile (trait): The multiple attack penalty you take on the second attack each round with this weapon is -4 instead of -5, and -8 instead of -10 on the third and any further attacks in the round.

Deadly (trait): When you critically succeed at an attack with this weapon, add the listed additional damage die. Roll this after doubling the weapon's damage.

Disarm (trait): You can use this weapon to Disarm with the Athletics skill even if you don't have a free hand. If you critically fail a check to Disarm using the weapon, you can drop the weapon to take the effects of failure rather than critical failure. On a critical success, you still need a free hand if you want to take the item.

☐ **Elixir of Life, Minor:** Upon drinking this elixir, you regain 1d6 Hit Points and gain a +1 item bonus to saving throws against diseases and poisons for 10 minutes.

Finesse (trait): You can choose to use Dexterity instead of Strength on attack rolls with this melee weapon.

Grappling Hook: You can throw a grappling hook with a rope tied to it to make a climb easier. To anchor a grappling hook, make a secret attack roll against a DC depending on the target (typically 20). On a success, your hook has a firm hold, but on a critical failure, the hook seems like it will hold but actually falls when you're partway through.

Thieves' Tools: You need these tools in order to Pick Locks or Disable Devices.

Thrown (trait): You can throw this weapon as a ranged attack. A thrown weapon adds your Strength modifier to damage just like a melee weapon does. When this trait appears on a melee weapon, it also includes the range increment in feet.

Versatile (trait): A versatile weapon can be used to deal an alternate damage type listed. For instance, a piercing weapon that has "versatile S" can be used to deal piercing or slashing damage. Choose the damage type each time you make an attack.

PATHFINDER

FEATS AND ABILITIES

Merisiel's feats and abilities are described below.

Cat Fall: You treat falls as 10 feet shorter.

Experienced Smuggler: You are adept at smuggling items past the authorities. When the GM rolls your Stealth check to see if a passive observer notices a small item you've concealed, the GM uses the number rolled or 10 as the number rolled, whichever is higher. This provides no benefit when a creature attempts a Perception check to actively search you for hidden items.

Forlorn: You gain a +1 circumstance bonus to saving throws against emotion effects; if you roll a success on a saving throw against an emotion, you get a critical success instead.

Sneak Attack: If You Strike a creature that has the flat-footed condition with an agile or finesse melee weapon or unarmed strike, with a ranged attack, or with a thrown weapon that has the agile or finesse trait, you deal an extra 1d6 precision damage.

Surprise Attack: When You roll Deception or Stealth for initiative, creatures that haven't acted yet are flat-footed to you.

Trap Finder: You gain a +1 circumstance bonus to Perception checks to find traps, to AC against attacks made by traps, and to saves against traps. Even if you aren't Searching, you get a check to find traps that normally require you to be Searching (you still need to meet any other requirements to find the trap). You can disable traps that require a proficiency rank of master in Thievery.

Whisper Elf: You can Seek to sense undetected creatures in a 60-foot cone, and you gain a +2 circumstance bonus to locate undetected creatures that you could hear within 30 feet when using the Seek action.
