CREW QUESTIONNAIRE

A Wolveshead Rules Engendering by Floyd C. Wesel

A NOTE TO PURPOSE

Character questioners are not new to roleplaying games, far from it. What you have in your hand is simply a set of questions that you the player can fill out and give to your GM (canny GMs will require them) which will, in the long run, give you more depth to your character and ultimately more enjoyment to your game time. They can be filled out "in character" or they can be filled out by you the player. Good luck and great gaming. Questioners like this can have a thousand different inquiries; we tried to keep it simple.
