A not so distant relative of the Blackjack "Mr. Coverfire" SMG, the Dragonbreath Minigat fires Hold-Out pistol ammunition at super-machine gun rates, making it one of the most efficient weapons at laying down a chicken wire tight screen of cover.

Type: SMG

Conceal: 4

Ammo: 70 (c)

Mode: BF/FA

Damage: 4L

Weight: 5.5

Cost: 15,500
