

Digital Gauntlet

An ancient, failed video game peripheral has in recent years found new life when hackers, cosplayers, and sluggers repurposed them to interface with modern technologies using motion controls and a d-pad. Play it loud with this legally-distinct digital gauntlet!

TURBO

Describe how your device helps you with an action, then boost or kick as needed.

MODS

- ☐ **Command Line Protocol (2 discs).** Roll to gain full access to an electronic device's subsystems. Anything it can do, you can do. Affecting complex tech may require kick.
- ☐ **Duck Hunter (1 coil, 1 lens).** Access aim-assist compensators when performing fine manipulations like firing your raygun or picking a lock. When you fail a relevant action roll mark trouble to upgrade it to a 4 - 5.
- ☐ **Power Punch (1 coil, 1 disc).** Roll to shoot lightning. Super effective against electronics (+1 kick). Now you're playing with power!
- ☐ **Realmware Lens (1 disc, 1 lens).** Roll to see energy fields, invisible entities, and in-depth biometrics. Also acts as a spacetime ampimeter.
- ☐ **Machine Whisper Diode (2 discs, 2 gems).** Mark turbo to awaken the quantum sub-consciousness of a device for a while. It speaks and recalls events as it would understand them and is inclined to help you.

FUNCTION

Control your mPhone, board, and other electronics remotely with tap and swipe gestures.

MODS

- ☐ **Energy Lattice (1 coil, 1 lens).** Roll to reform your raygun into custom shapes, including tools, hand weapons, and other useful objects of a similar size.
- ☐ **Photometric Field Fastener (1 gem, 1 lens).** Roll to launch a grappling light. Pull lighter stuff or move to heavy stuff, or use it creatively for other purposes.
- ☐ **Polymeric Aperture (1 disc, 1 lens).** Shoot hardlight foam that's (pick one): bouncy, chilly, flammable, shiny, smelly, slippery, sticky, tasty, etc. Mark kick for more.
- ☐ **Refraction Coupling (1disc, 1 gem).** Before firing your raygun, choose its form: blade (pierce, slash), grenade (lob, splash), shotgun (impact, spread), smg (spray, suppress), sniper (kickback, range).
- ☐ **Mobile Assault Suit (1 disc, 2 gems, 1 lens).** Mark turbo to encase your body in a hardlight arsenal for a bit. Manifest any number of hardlight weapons, and get +1 kick on all related actions. Also nope physical and energy-related slams for 1 trouble.

FUNCTION

Make your hardlight ray-gun re-exist and non-exist at will. Acts like a Beam Filter.

MODS

- ☐ **Airspray Vents (1 coil, 1 disc).** Roll to vent a jet of com-pressed air. Jump high, put out fires, control a fall, blast people off their feet, or clean your keyboard.
- ☐ **Fatcap Valves (1 gem, 1 lens).** Paint with an extra-wide brush or roll to make your paint very heavy or light enough to float heavy objects.
- ☐ **Pheromone Lattice (1 coil, 1 gem).** Roll to imbue your art with a certain emotion (anger, jealousy, etc). Whoever sees your handiwork is moved by it. Throw in some kick to really bring out the feels.
- ☐ **Subliminal Nozzle (1 gem, 1 lens).** Create hidden messages within your pieces that can only be understood by those you choose. Target only slugblasters, teenage men, or maybe only your Vice-Principal.
- ☐ **Concept Realizer (2 discs, 2 gems).** Mark turbo and roll to temporarily manifest your art as real. Painted doors open, figures animate, dirt bikes ride, swords cut, etc.

FUNCTION

Craft 3D art by painting or sketching the air itself. It has size, mass, obstructs vision, and can support your weight.

MODS

- ☐ **Anti-noise Attenuators (1 coil, 1 disc).**
Eliminate noise in an area by emitting antiphase sound waves. Be sneaky, quietly break stuff, silence noisy siblings, etc.
- ☐ **Boomer Mode (1 coil, 1 lens).** Hold back, then forward and roll to launch a destructive wave of sound from your feet (backflip optional). Smash glass, ceramics, elec-tronics, and even hardlight by nailing the frequency.
- ☐ **Harmonic Decoupler (1 disc, 1 lens).** Your own soundboard: throw your voice, create specific sound effects, or apply filters to noise. Roll for complex sounds or to imitate someone.
- ☐ **Powered Hype Filter (1 disk, 1 gem).** Mark an extra style when you pull off a sick trick that's choreographed to the music.
- ☐ **Supersonic Transformer (1 disc, 2 gems, 1 lens).** Mark turbo to turn into raw sound for a few moments. Be insubstantial, move quickly, cause sonic booms, break windows, run up walls. Go full hedgehog.

FUNCTION

Beam tracks from your phone into your shoes and nope scars involving precise timing for only 1 trouble.
