EXTRA SHIPS RECORD

[illegible]

NEUTRAL ZONE CONTROL RECORD

List neutral zone hexes currently controlled:

[illegible]

Total Neutral Zone Hexes Captured & Effective Provinces

Turn					
Hexes					
Provinces					

Turn						
Hexes						
Provinces						

Enter total number of "effective provinces" on Economics Form on the "Captured Provinces" line.

CARRIER GROUP STATUS RECORD

[illegible]

This form can be used to keep track of carrier groups with crippled or lost escorts during the combat round and after.

HOMELESS SHIPS SUPPORT LINES

[illegible]

Write the allied race name in the first box, then check off as many boxes as you have paid for support lines for that race.

DELUXE FEDERATION AND EMPIRE FLEET PACK

This product contains several useful play-aids and other materials to support the Deluxe Federation and Empire game. Included are:

ADDITIONAL COUNTERS

Contained within the Deluxe Fleet Pack are additional copies of countersheets A, B, C, and D from Deluxe Federation and Empire. All races receive additional counters so there are now more than enough for even the most savage campaigns.

REDUCED SCALE MAP

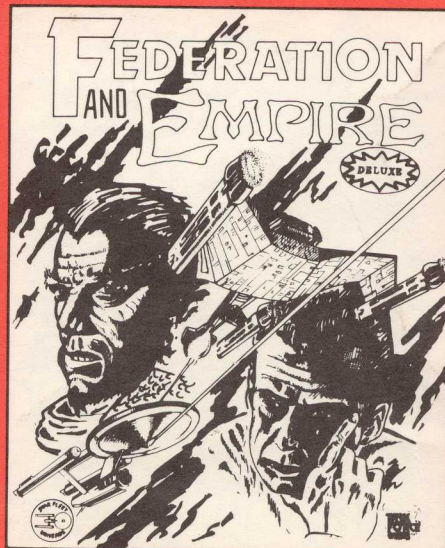

The reduced map on the inside cover of the Deluxe Fleet Pack may be photocopied onto two pages. With the copies, you can plan strategies, record your progress in conquering enemy territory, or make confidential treaties with your allies.

PLAYER FOLIOS

Also enclosed are three booklets, each containing seven copies of the vital Player Folio which includes Economics Forms, Base and Planetary Status Charts and other useful play-aids in an 8x16" format, as well as four copies of the much used Combat Calculations Form.
