MARINE ENLISTED GRADES

 E1 RECRUIT	 E2 JR PRIVATE	 E3 VETERAN PRIVATE	 E4 SENIOR PRIVATE
 E5 JUNIOR SERGEANT	 E6 VETERAN SERGEANT	 E7 SENIOR SERGEANT	 E8 MASTER SERGEANT
 E9 SERGEANT MAJOR	 E10 GROUP SERGEANT MAJOR	Klingon Marine enlisted insignia follow the standard pattern, but with green triangles. Marines must be qualified infantry before they can become technicians, so Marine technicians have one green triangle and one yellow triangle. These exist only in grades E5, E6, and E7. There are rare Marine armor units which exist to support larger Marine formations. The sergeants of such units have a black triangle (same as Army armor sergeants) and one green triangle.
