Renna's Transport Service Employment

A Cularin Presence

This designates that Living Force character

is gainfully employed at Renna's Transport Service, as a member of her security detail. The hours are flexible, and do not interfere with "other commitments" the hero may have. Moreover, the pay is good (1000 credits per week), Renna provides free room and board for her security team, and the work is fairly prestigious (translation: any hero employed by Renna gains +2 Reputation for the duration of employment). It may be that training received at Renna's will have other benefits, in the long run.
