Favor of the Almas Academy

The Way of the Force

In appreciation for assistance with the Jedi Trials at Almas Academy, the hero named above may request Master Lanius Qel-Bertuk to intervene on their behalf in a single important negotiation. This favor may only be redeemed if there is a reasonable way for the hero to contact Lanius at the Jedi Academy, and even so it requires 1d4 hours. If the requested intervention in ANY way violates ANY aspect of the Jedi Code Lanius refuses to assist in the negotiation. (For example, this favor cannot be used to lie, cheat, steal, or deal in black market merchandise.) If Lanius can be reached and agrees to assist, his intervention provides a circumstance bonus of +20 to a single diplomacy check. Once the request is made, whether Lanius accepts or refuses to help, this favor should be voided. Multiple favors from different heroes cannot be used to get higher bonuses to a single diplomacy check roll.

Adegan Crystal

The Way of the Force

This crystal was put into the keeping of the hero named above by Master Lanius of the Almas Academy. It is pale and about the size of a Human child's fist, with odd markings on each of 20 faces. It is strong in the Force, but also somewhat unstable. Its ultimate uses are as yet unknown.

[Game Mechanics: In order to make use of the crystal, the hero's player must also have in their possession one of the RPGA Player Rewards giant d20s. The player owning this non-transferable certificate may use the die once per scenario, and no hero may have more than one certificate. A table of results for die rolls will be available via the LIVING FORCE campaign administration beginning in February 2004.]

In recognition for assistance with this year's Jedi Trials at Almas Academy, the hero named above is provided with energy magnification crystal suitable for installation in a holdout or regular blaster pistol. Installation can be performed at any competent blaster repair facility for 500 credits, or by anyone skilled at blaster repair. While the crystal increases both accuracy and effectiveness, it alters the color of blaster bolts to a pale violet.

Indicate which is upgraded: ☐ holdout blaster ☐ blaster pistol

[Game mechanics: The threat range of the weapon is increased to 19-20, and it gains a +1 equipment bonus to hit and damage. Heroes with 5 or more ranks in Craft: Blaster Pistol may install the crystal by spending 150 credits for tools and making a DC 20 Craft check. May be traded; a single hero may not own multiples.]
