## Somebody doesn't like you...

*Destruction*

The hero named above has consistently proven a thorn in the side of the powers of darkness of the LIVING FORCE universe. This certificate entitles the hero to a potential galaxy of hurt. This certainly does **not** guarantee the hero's death, but does guarantee that when facing the biggest, "baddest" minions of the Dark Side, this hero will be at the top of their interest list.

Note: should there be a second LIVING FORCE campaign, it is possible that this certificate could have far-reaching effects. Otherwise, it is simply a souvenir.
