Devan's Lightsaber

The Heart

This lightsaber was constructed and wielded by Master Devan, late of the Almas Academy. It has a bright teal blade, and functions as a +2 mastercraft lightsaber. However, because of Devan's martial focus, the mastercraft bonus does not apply to damage. Instead, when lit, the lightsaber provides an additional +2 dodge bonus to anyone with the Lightsaber Defense feat. Because there is no more Academy to which the lightsaber can be returned, it is the responsibility of the hero to decide what should be done with this saber.

DEVAN'S LIGHTSABER SHOULD BE TREATED AS A UNIQUE ITEM; NO MORE THAN ONE CAN BE IN-PLAY AT ANY LIVING FORCE TABLE. IF MORE THAN ONE PERSON AT A TABLE HAS DEVAN'S LIGHTSABER, AT THE BEGINNING OF THE ROUND, ALL PLAYERS WITH THIS CERT MUST PLAY ROCK-PAPER-SCISSORS TO DETERMINE WHO HAS THIS SABER FOR THE DURATION OF THE EVENT.

Hand-Painted Sabacc Deck

The Heart

Not only is this an actual deck of cards with which to play Sabacc, rather than a program on a datapad, but each card was hand-painted. The colors are vibrant, the paper is clean and crisp. You once saw a deck like this on display on *Riboga's Barge*, but that's been some time ago...
