STARFINDER

ALIEN ARCHIVE 2 PAWN BOX

The interstellar perils of *Starfinder Alien Archive 2* come alive on your tabletop with this box-busting collection of more than 300 creature pawns for use with the *Starfinder Roleplaying Game* or any tabletop science fantasy RPG! Printed on sturdy cardstock, each pawn features a beautiful full-color image of an alien from the *Starfinder* RPG's second collection of interplanetary threats and unique player character races. Each cardboard pawn slots into a size-appropriate plastic base, making it easy to mix with traditional metal or plastic miniatures. With multiple pawns for commonly encountered creatures and a handful of new foes to fight in starship combat, the *Starfinder Alien Archive 2 Pawn Box* is the best way to ensure you've got the perfect characters to bring your *Starfinder* campaign to life!
