

Morrow Project Issue, Personal Survival Kit

The survival kit is issued to all personal of the Morrow Project. The kit consists of two plastic containers, each measuring 11.43 cm x 13.97 cm x 3.81 cm with each container weighting 0.45 kg, curved to fit in chest or thigh pockets. They are sealed with O-rings and held together by "C" clamps that run the length of the long sides, the clamps being slid off when the contents are needed.
