

Herman Garret

Mordheim legend

Herman Garret was a renowned "freelance marksman" (read sniper) who decided to follow the warbands to Mordheim because it seemed like a good business opportunity at the time. Herman's favourite weapon is his custom Hockland longrifle that he had constructed before he left the engineering guild in the Empire. Unfortunately he never actually paid for the custom rifle so he is always wary of repossessors.

Hire fee 120 GC to hire. May only be hired once.

May be hired: Any warband with the exception of the Sisters of Sigmar who think it's immoral to use a sniper.

Rating: Herman adds 40 to a warband's rating.
