

NPC Combat Cards

A GAME AID FOR FORBIDDEN LANDS

How to use this document

This document provides you with a sheet of cards designed to help tracking NPC stats and actions during combat. Each card has space to record attribute scores, talents, and skills, as well as equipment. To the side you'll find space to record the NPC's initiative and gear bonuses most relevant to combat.

To use the cards, print the sheet and cut out the cards. If you'd like to re-use them, laminating may increase their longevity.

If you don't use the official initiative cards, or have multiple NPCs act on the same initiative, these cards can also help to track the actions used each round. Turn them so that the side facing up indicates the number of remaining actions.
